The Marlins Mission

The Florida Marlins are embarking on an new era and what promises to be an exciting time for Club stakeholders. The Club's new owner, Mr. John W. Henry, is committed to building on the Marlins tradition of the last six years with the ultimate goal of bringing another World Championship to our community.

The 1999 Florida Marlins will be a hard-working and aggressive team. Our farm system, recognized for its outstanding player development, will continue to be the cornerstone of our long-term success under the leadership of General Manager David Dombrowski.

At the ballpark, the Marlins will continue to provide fans with a fun experience at an outstanding value. From first-class family entertainment to outstanding customer service and affordable ticket packages, attending a Marlins baseball game is an activity that fans will enjoy game after game in a clean, safe and friendly environment.

The Club will continue to play a vital and active role in the community. Players, coaches, front office staff and spouses will support local organizations such as schools, hospitals, youth baseball, civic groups and a multitude of charities.

In order to ensure the long term success of the franchise, the Club will begin efforts to secure a new, baseball-only ballpark. The Marlins will do everything possible to provide our community with a premier Major League franchise that will be the pride of South Florida for generations to come.

MARLINS IN THE COMMUNITY

COMMUNITY AFFAIRS PHILOSOPHY

The Florida Marlins Community Affairs Department supports the club's mission of being an active partner in the South Florida Community. By supporting community and charitable causes, we are exercising our commitment of being a responsible and civic-minded business.

Through many sponsored activities, the Marlins reach beyond the doors of Pro Player Stadium. The organization uncovers what many perceive as the mystique of professional sports. Baseball is a "family" game. The atmosphere is conducive for bringing out the warmth of days gone by...

The catalyst may be a player signing an autograph for a youngster hanging over the dugout, a hug from Billy the Marlin, an at-risk youth group receiving tickets for a game, or one of our players speaking to kids at a clinic. The Marlins responsibility of being sensitive to a diverse community is endless.

MAJOR LEAGUE BASEBALL PROGRAMS

Diamond Skills

Diamond Skills is Major League Baseball's official skills competition which focuses on three fundamental baseball skills: batting, fielding/throwing and base running. The competition helps kids target abilities which are important in becoming a better all-around player. Children ages 7-14 are eligible to compete in this program. Contestants must fill out an entry form obtained from local parks and recreation facilities. The Florida Marlins host the South Florida team championship prior to the National Championship at the MLB All-Star Game.

Reviving Baseball in Inner Cities

Reviving Baseball in Inner Cities (RBI), is a youth program offering kids ages 13-18, who live in disadvantaged urban areas, the opportunity to participate in organized baseball and softball. This program is designed to promote athletic ability, academic achievement and social responsibility. The Florida Marlins and Gatorade supply uniforms, umpires, equipment and transportation for 45 teams in South Florida. In 1997, the Marlins junior All-Stars won the RBI World Series!

TrueValue Field of Dreams

True Value recognizes a player from each Major League Baseball club for his commitment to his team as well as his community. Past Marlins representatives include Jeff Conine, Bobby Bonilla and Andy Larkin.

Yardball

The Florida Marlins host a 4-on-4 competition promoting "backyard" style games for ages 12 and older. The game offers a unique opportunity to play in a fun, competitive environment.

COMMITMENT TO EDUCATION

The Florida Marlins are committed to the education of our youth in and out of the classroom. A sampling of Marlins educational programs are: Back to School Weekend, Baseball Clinics, Books and Bats, Create a Baseball Card contest, High School Media Day, High School Olympics, Model Physical Fitness Program, School Days, Science Fair, Teacher Appreciation Night and Youth Advisory Board.

World of Baseball

The World of Baseball, implemented in Dade, Broward and Palm Beach counties, makes learning a fun, exciting and fulfilling experience. Through the efforts of The Florida Marlins, students from kindergarten through high school are engaging their minds in an integrated curriculum revolving around the theme of baseball. The unique design of this program provides an opportunity for teaching a full range of subjects from math to geography. As part of the World of Baseball program, the Marlins designate one week in May as World of Baseball Week. Over the course of four days, Marlins players, coaches and broadcasters visit approximately 40 schools. In addition, each school visited receives 500 tickets to one of the upcoming World of Baseball Marlins home games.

MARLINS IN THE COMMUNITY

FLORIDA MARLINS COMMUNITY FOUNDATION

This Foundation is committed to the promotion of educational, athletic, health, social and community service programs with a particular focus on South Florida's youth. The Foundation will contribute, whenever possible, to charitable groups that are compatible with the Foundation's philosophy. Contributions are procured through various fundraising events throughout the year.

ART OF THE GAME

The Art of the Game showcases local and national artists featuring a variety of baseball-themed artistry and memorabilia with proceeds benefitting The Florida Marlins Community Foundation. Art of the Game will be showcased June 11-13, 1999.

DINNER ON THE DIAMOND

"Dinner on the Diamond" is an opportunity to join the Marlins players and coaching staff for a picnic on the field. Fans enjoy savory food and live jazz as they mingle with their favorite Marlins player. All proceeds benefit The Florida Marlins Community Foundation. Dinner on the Diamond will take place on May 30, 1999.

SATURDAY NIGHT RAFFLES

Fans in attendance at Marlins home games may purchase raffle tickets with a chance to win one of several autographed items.

COMMUNITY OUTREACH

BALLPARK BUDDIES/CORPORATE PARTNERS FOR YOUTH

This is a first time experience for many children to attend a Major League baseball game. In 1998, it provided over 33,800 tickets for under privileged children and many South Florida charitable organizations.

NATIONSBANK FLORIDA MARLINS FANFEST

A baseball extravaganza which opens the doors of Pro Player Stadium and kicks off the sale of individual game tickets. Thousands of fans enjoy behind the scene tours of the clubhouse, dugout and press box. It also features interactive games and several opportunities to meet players, coaches and staff.

OUTER MARKET TOUR

During the off-season, players, coaches, broadcasters and Billy the Marlin visit schools, hospitals and other facilities throughout the state of Florida. The tour promotes good will and develops enthusiasm for the upcoming season.

SPEAKER'S BUREAU

Since the inaugural season, Florida Marlins personnel have been speaking to various schools, businesses and civic organizations throughout the South Florida community. The mission is to educate fans and convey a positive message about the sport of baseball. The Speakers Bureau allows front office members to receive feedback from the community and provides an opportunity to clearly communicate the club's vision for the future.

PLAYER PARTICIPATION

Our players understand the influence a sports hero can have on a impressionable child.

AUTOGRAPH SESSIONS

Family Sundays includes Autograph Sunday where three players sign for the first 600 fans. Clubhouse Kids is another program that offers the first 100 kids 52 inches and shorter an opportunity to win prizes by answering sports trivia questions. At the end of the session, the children meet a Florida Marlins player and receive his autograph.

CLINICS

Coaches and players share their expertise in helping youngsters improve their skills through clinics held at the stadium and in the community.

Marlins in the Community

Personal Appearances

Players, coaches and front office personnel promote the team's goal of being a good civic partner by making various appearances throughout the community. Visits to hospitals, Boys & Girls Clubs, drug and alcohol rehabilitation programs, schools and chamber meetings take us beyond the stadium to where our neighbors live and work.

Game Day Awareness Projects

The Florida Marlins Community Affairs Department works with local organizations to "showcase" their services to the fans. The Marlins were the first professional team to show anti-drug public service announcements for the National Office of Drug Control Policy.

Why the Marlins?

The Marlin, a gamefish native to the region, was selected as the club's nickname because it is known for its fierce fighting and cleverness. But the selection also has historical basis. From 1956-70 and 1982-88, various minor league clubs in Miami carried the Marlins name.

Most Memorable Baseball Moments
by John W. Henry

1. *Yankee Stadium Owner's Box, Game Six, 1996 World Series* -- Charlie Hayes catching the final out of the 1996 World Series against the Braves. Hugging all the partners after the final out. We had lost the first two games of the Series at home. Somehow we managed to go to Atlanta and sweep them.

2. *Pro Player Stadium, Game Seven, 1997 World Series* -- Craig Counsell scoring the winning run in extra innings to make the Marlins World Champions. What a game! A deeply partisan Yankee fan is completely won over by a great team assembled by Dave Dombrowski's organization, a great effort and such an emotional ending. No one there will ever forget that moment. I left there thinking that night that Wayne will get the ballpark the Marlins need to remain competitive in the National League. I will not rest until we get back to the World Series.

3. *Broadway, Canyon of the Champions, New York City, October, 1996* -- Riding on the top of an open double- decker bus in the Yankee ticker-tape Parade. An estimated three million people were shouting and chanting. One of my partners asked when we reached City Hall, 'Can we go around one more time?' An unbelievable phenomenon.

4. *Bice Restaurant, New York City, September 1, 1998* -- Rick Rochon informing me that Wayne Huizenga had decided to accept my offer for the Marlins. A night I will always remember.

5. *New York Yankees Partnership Meeting, Cleveland, Ohio, November 19, 1998* -- Making an emotional, farewell speech to my partners. I told them that the primary memory I will leave the Yankee family with will be the deep affection I felt for and from them over the years we spent together. Many of us were and are very close.

6. *Bucky Dent's Little Fenway Park, Delray Beach, October 15, 1989* -- Walking out onto the field, with manager Dick Williams and co-owner Don Sider the first day of practice for the West Palm Beach Tropics of the Senior Baseball League. Tropics players included Mickey Rivers, Rollie Fingers, Dave Kingman, Toby Harrah, Al Hrabosky and a very strong cast who dominated the league finishing the year 52-20.

7. *Atlanta County Fulton Stadium, Game Four, 1996 World Series* -- Watching Jim Leyritz's game-tying, three-run homer against Mark Wohlers sail over my head. The Atlanta fans had a six-run lead and had been waving their arms doing the Tomahawk Chop acapella for eight innings. When the ball went over the wall, the stadium fell silent. The crowd had been standing because there were two strikes on the batter. They were so stunned they forgot to sit down. Suddenly the hushed crowd became aware of about ten of us in the left field seats who were now singing their song quite loudly.

8. *Pro Player Stadium, December, 1998* -- Discussing a potential trade with Dave Dombrowski, the best General Manager in Baseball, for the first time. No, he wasn't asking for advice. No, it wasn't Edgar.

9. *West Palm Beach Stadium, Opening Night, November 1, 1989* -- Watching the Tropics score their first run in the first inning. The Tropics opened the season by winning 17 of their first 20 games. We sold the team after the season ended. The league expanded into Arizona the following year and ceased play. I see no reason why Major League Baseball should not consider reviving the over-35 Senior League for winter play in Florida. The baseball was excellent, the weather was spectacular, the fans reveled in the games being held in the cozy spring training parks and the veteran players absolutely loved it. It just need the backing of MLB. With the proliferation of sports networks and the success of the senior golf and tennis tours, this could be the ideal time to revive what the players felt was just a terrific winter league.

10. *West Palm Beach Stadium, December, 1989* -- Shagging fly balls in the outfield with some of the Tropics' pitching staff during batting practice. Don't try catching a Major Leaguer's line-drive in the stands, it can be painful and dangerous. They make it look too easy.

A BRIEF HISTORY OF SOUTH FLORIDA BASEBALL

From the earliest days of the city of Miami, baseball has been a South Florida staple. Whether as the home to numerous minor league franchises, the training site for various Major League clubs or the home of some of the finest college and high school programs in the nation, baseball and South Florida need no introduction.

Records show that Abner Doubleday, who legend credits as having invented the game of baseball, was stationed at a military base in South Florida late in his career. Although club teams were taking to makeshift diamonds in the area before the turn of the century, the first official minor league entry appeared in 1912 when the Miami Magicians entered the Class D East Florida State League and competed until the United States entered World War I. After the war, several variations of minor league clubs appeared, one which was the Miami Tourists.

On the eve of World War II, teams in the Florida East Coast League included the Miami Wahoos, the Miami Beach Flamingos, the Fort Lauderdale Tarpons and the West Palm Beach Indians. The league suspended operations in 1943 until the end of the war.

After the war, the need for a larger stadium became apparent. Jose Manuel Aleman, a former minister of education in Cuba, undertook the project. Construction began in late 1948 and Miami Stadium was opened on August 31, 1949. At the time, the 9,000-seat stadium was hailed as one of the finest and most beautiful in baseball.

By 1952, the Florida International League had risen to Class B status and included the Miami Sun Sox (managed by Pepper Martin), Miami Beach Flamingos, Fort Lauderdale Lions (who wore shorts during the 1953 season) and the West Palm Beach Indians.

The Marlins nickname made its first appearance in 1956 when the Triple A franchise from Syracuse, New York moved south and into Miami Stadium. The legendary promoter Bill Veeck was brought in to run the team and one of his first acts was to sign 50-ish hurler Satchel Paige. Paige's Marlins debut was one to remember, as Veeck arranged for a helicopter to deliver him to the mound on Opening Night.

Paige played three seasons with the Marlins, and was the starting pitcher on August 7, 1956 when baseball moved to the Orange Bowl for the first time. Thanks to pre-game festivities that included Cab Calloway and Merv Griffin, a crowd of 57,713 filled the stadium for a 6-2 victory by Paige and the Marlins over the Columbus Jets. The game raised over $30,000 for charity, but did little to build a long-term base of fans. Plagued by poor attendance and other financial problems, the AAA franchise moved to San Juan, Puerto Rico after the 1960 season.

After the Marlins departure, South Florida's professional baseball connection has been either through hosting various Major League spring training sites or through Class A Florida State League entries, including several different nicknames (Marlins, Orioles and Miracle).

In 1979, Triple A baseball made a brief return to South Florida with the Miami Amigos of the Inter-American League. The league lasted only until mid-July before financial problems brought it down. From that moment until April 5, 1993, the only professional baseball above the Class A level in South Florida was played during the spring.

Major League clubs since the days of Babe Ruth have sought refuge in the warm Florida climate while preparing for the upcoming season. At one time or another, South Florida has been the spring home of the Giants, Reds, Browns, Athletics, Yankees, Braves and Pirates and is currently the site for the Cardinals, Mets, Expos and Orioles.

But while the professional game was mostly a spring-time guest, the amateur programs became nationally prominent. At the University of Miami, Hurricanes manager Ron Fraser built over 30 years of, what many consider, the model collegiate program. Not only did the team prosper on the field, becoming a regular participant in the College World Series and winning two national championships, but Fraser proved that a collegiate program could also be successful at the gate. Armed with a never-ending series of promotions, Miami has packed in the fans at home and has become the envy of many minor league teams in the process.

At the same time, various high school and junior college programs in the state have churned out a never-ending stream of blue chip prospects and major leaguers, the results of a year-round affinity for playing the game.

South Florida's interest in baseball was further solidified by the influx of Cubans since the late 1950's. In the mid-1950's, Havana was host to a legendary Triple A entry, the Sugar Kings. Starting with Minnie Minoso, a host of Cuban players such as Cookie Rojas, Bert Campaneris, Luis Tiant and Tony Perez made their way to the major leagues and opened baseball's collective eyes to the vast wealth of talent available in the Carribean.

That tradition continues today with the play of such Cuban-American products as Rafael Palmeiro, Alex Rodriguez and Jose Canseco, who made his professional debut with the Class A Miami Marlins in 1982. Other Major Leaguers who wore a minor league Marlins uniform include Dennis Martinez, Eddie Murray and former Marlins catcher Benito Santiago. With the 1997 arrival of Alex Fernandez to the Marlins, the vastness of this area's baseball is seen with a person who played high school, collegiate and now Major League Baseball in South Florida. The same can now be said of Marlins catcher Jorge Fabregas and infielder Mike Lowell, home-town products plaing for the local Major League team.

Since the Florida Marlins came to the area in 1993, Major League Baseball no longer heads north for the summer. Now, the baseball fans of South Florida can experience first-hand what they have long coveted, a big league team of their own.

Florida Marlins 6, Los Angeles Dodgers 3

Joe Robbie Stadium - The Marlins defeated Los Angeles 6-3 in their inaugural game before a sellout crowd of 42,334 spectators. Charlie Hough scattered six hits over six innings to pick up the club's historic first win. Walt Weiss gave the Marlins a 2-0 lead in the second inning with a two-run triple. Jeff Conine went 4x4 and stole the first base in Marlins history. Bret Barberie collected Florida's first hit, a first inning single to center. Bryan Harvey pitched a scoreless ninth to record the save. In pre-game ceremonies, Hall of Famer Joe DiMaggio threw out the first pitch and the Marlins retired uniform #5 in honor of their late president Carl Barger.

INTERLEAGUE RIVALRY

- Florida's Interleague record (20-11) is the best in all the Majors. They are followed by San Francisco (18-11), Cleveland (19-12), Los Angeles (17-12) while Montreal and New York (AL) are tied for fifth (18-13).
- The Marlins and the Blue Jays played the longest games in the history of both clubs. The 17-inning marathon lasted 5:05, the longest game time-wise in club history. Edgar Renteria's RBI-single scored Todd Dunwoody with the winning run. The final was 4-3.
- Marlins claimed state bragging rights over intra-state rival Tampa Bay as the Fish was three-games-to-one over their "Sunshine State" foe.
- The designated hitter is used only in American League ballparks and the home league uses their umpires for Interleague games.
- Jim Eisenreich became the Marlins first designated hitter in club history on June 16, 1997.

Media Information

CREDENTIAL APPLICATIONS: All news media will be asked to submit a written request for Florida Marlins media credentials on their official letterhead. All requests for season credentials must be received by Monday, March 15, 1999.

SEASON CREDENTIALS: Season credentials will be issued only to those legitimate newsgathering organizations who plan to cover the Marlins on a daily basis. Credentials will be issued only to members of the working press 18 years of age and older. **No spouses, guests or children** of members of the press will be issued credentials. Press passes are **not transferable.** Credentialed members of the media are prohibited from obtaining autographs or equipment on the playing field, in the dugout or clubhouse. Any violation of these guidelines will result in immediate revocation of credential and future access. Only credentials issued by the Florida Marlins, the National League or the BBWAA will be honored. Credentials must be visible at all times.

DAILY CREDENTIALS: Daily credentials will be issued to those legitimate newsgathering organizations who do not qualify for season credentials. Any organization who anticipates the need for daily credentials must have a letter on file with the Florida Marlins Baseball Information and Publicity Department. Requests may be sent via FAX or mail, but those requests must be received at least 48 hours in advance of the game(s) requested. Daily credentials are subject to the same restrictions as season credentials and any violation will result in revocation of the credential and any future access.

PHOTO CREDENTIALS: Credentials will be issued to those photographers on assignment for legitimate newsgathering organizations and those representatives of companies licensed by Major League Baseball. Photographers for licensees will only be granted daily passes. Priority in all areas will be granted to news organizations on nightly deadlines. No freelance photographers will be granted credentials and all photographs taken are to be used for newsgathering purposes or officially licensed products. Any other use of photographs taken will be considered a violation of the conditions under which the credential is issued and result in no further credentials being issued.

CLUBHOUSE ACCESS: Access to the Florida Marlins clubhouse both before and after games will be limited to those organizations who are filing stories on a daily deadline. Clubhouse access will be granted to all media when special situations arise, as determined by the Marlins Baseball Information and Publicity Department. The clubhouse is open to all media with proper credentials 3 1/2 hours before game time and then closes 45 minutes prior to the start of each game. It re-opens no later than 10 minutes after each game. Policies regarding access between games of doubleheaders and during rain delays will be determined by the Marlins Field Manager. Access to the visiting clubhouse is subject to the visiting club's guidelines.

FIELD ACCESS: All credentialed members of the media will be given access to the playing field prior to each game. No media will be allowed in fair territory or beyond the first and third base bags. All non-uniformed personnel must clear the field at the conclusion of visitors batting practice unless that individual has credentials expressly for in-game field privileges (photo passes, pre-game ceremonies, etc.). Live shots are permitted on the field until 35 minutes prior to the first pitch.

All live television shots will be done on the field. No live shots will be permitted from the clubhouses. No live transmissions inside the stadium by non-rightsholders will be

permitted while the rightsholder is on the air or the game is in progress. Radio stations will be permitted to provide "scene setters" and score updates between innings but these reports may not continue once an inning is underway. Any violations of these policies will result in revocation of credentials.

ROVING CAMERAS: Roving cameras are permitted in Pro Player Stadium for Marlins games upon approval from the Marlins Baseball Information and Publicity Department. After permission is granted, cameras are permitted to roam in all public areas other than the Club (Blue) level and the Picnic Area. Specific requests must be made before access to the Picnic Area will be granted. While roving, all photographers must not block any aisles or the views of any fans. Failure to adhere to these guidelines will result in the revocation of roving privileges for both the individual photographer and for the news organization that photographer represents.

ADMISSION TO PRO PLAYER STADIUM: All media covering Marlins baseball may enter Pro Player Stadium through Gate H which opens four hours prior to game time. Media may pick up their credentials at Gate H Will Call beginning at 5:00 p.m. Media who require their credentials prior to 5:00 p.m. may do so at Marlins reception at Gate G.

Stadium Renovations

Pro Player is one of the few stadiums to boast two JumboTRON video boards. In 1996, a new 26' x 37' color video screen was installed in the west end zone, while just prior to Super Bowl XXIX, the stadium's east board was replaced with a new one measuring 30' x 40'.

•A new state-of-the-art Prescription Athletic Turf (PAT) system is now in place. Installed for the 1995 season, the mechanical drainage system can handle five times the water of the old system.

•SportsTown, an entertainment complex located on the south side of the stadium between Gates F and H, consists of two 7,500 square foot tents, 10 interactive games, six distinctive food stands and two large bars. In addition, the complex includes eight 32" color TV monitors, radio broadcast and entertainment stages, along with a state-of-the-art sound system, novelty and souvenir merchandise kiosks and a Guest Service/Ticket kiosk.

•Many new parking renovations and access improvements have been made, including expanded permit parking for suite patrons and season ticket holders. A new RV and limosine parking lot has been created along with easier-to-read signage. Over the past 12 months, the stadium has added an additional 7,500 parking spots.

•A new flooring system, called Silikal, was installed on the 100 and 400 level concourses. The system is a waterproof, heavy duty, slip resistant surface that is also aesthetically appealing... in addition the 100 and 400 concourses have been painted to create a cleaner, brighter atmosphere.

The Florida Marlins begin their sixth season at the state-of-the-art Space Coast Stadium and seventh Spring Training camp overall. The Marlins conducted their inaugural Spring Training in 1993 at Cocoa Expo. Space Coast Stadium is the 7,200 seat centerpiece of the Marlins Brevard County operation. In the spring, it houses offices for the Marlins Major League staff, clubhouses for both the Marlins and visiting teams, in addition to media work and dining areas. After the Major League club breaks camp at the end of March, the stadium becomes home to the Brevard County Manatees (A) of the Florida State League, Gulf Coast Rookie League Marlins, Instructional League and the Marlins fantasy camp.

In addition to the 7,200 permanent seats, Space Coast Stadium also features 11 luxury suites located on the press level and a grass-covered berm beyond the left field fence that will serve as additional general admission seating.

Pitchers and catchers first workout is slated for February 22 at the Carl Barger Baseball Complex at Viera. The complex opened in time for the Marlins first Spring Training camp in 1993 and the Marlins will utilize the complex for the first 10 days of training camp before moving to the stadium just prior to the start of the Grapefruit League season.

The Carl Barger Baseball Complex was designed by the firm of Lescher and Mahoney, while Space Coast Stadium was designed by the firm of L.D. Astorino & Associates, Ltd. Both projects were constructed by Miorelli Engineering.

Offices for the Marlins Baseball Information and Publicity Department and the Media Workroom are located at the stadium. The workroom is directly behind the seating area of the Press Box, located on the third level of the stadium. The Press Dining area, which will be open prior to the start of each exhibition game, is located on the first base side of the stadium on the concourse level. Admission to the dining area is either a Major League Spring Training credential, a BBWAA card or a Marlins spring season pass or daily credential.
